Sorillo
↳ Infinito

Ampre caro mi fu quest'ermo colle,
'è questa siepe, che da tanta parte
De' ~~selvati~~ ^{l'ultimo orizzonte} confine il quando ~~esclude~~
Ma ~~cedendo~~ e ~~mirando~~, ^{interminato} ~~tra~~ ^{infinito}
Spazio di là da quella, e ~~sordidumani~~
Silenzj, e profondissima quiete
O ~~so~~ nel pensier mi fingo, ove per poco
Al cor non si spaura. E' come il vento
Oo stormir ^{tra} ~~tra~~ queste piante
Infinito ~~o~~
